

## Platform Tennis

located behind the  
A.C. Nielsen Tennis Center  
a facility of the  
Winnetka Park District

Platform (or paddle) tennis is played outdoors in fall, winter and spring. The sport has many advantages: it's easy to learn the skills, it's great exercise, it's a social sport, and it can be enjoyed by players of any age or ability.

The Winnetka Park District operates one of the only public facilities in the Midwest. Our six courts are in top condition and are complemented by our state-of-the-art hut.
