“TENNIS SHACK” RENOVATION COMPLETE

A **BIG THANKS** to the Winnetka Parks Foundation for funding the \$75,000 renovation of the Winnetka Park District “Tennis Shack”. The building has a storied history, originally serving as a military barracks, then brought to Winnetka and utilized by the Park District as a outdoor skating shelter in the winter and then transported back to the Tennis Center during summer months.

The project was designed and completed primarily by the Winnetka Park District Parks Staff in just over 4 months. This team, primarily headed by **Costa Kutulas**, utilized the individual skills of **John Barrett**, **Kellie Edwards** and **Greg Fields**. By undertaking the planning, demolition, rough carpentry, siding, plumbing, electrical and window installations in house, staff maximized the generous \$75,000 donation of the Winnetka Parks Foundation.

This investment allowed our agency to provide Winnetka residents with a multi-use facility that will meet their expectation of quality facilities and services. The new building will continue to serve as a gathering place for Nielsen men’s and women’s teams, New Trier tennis teams, North Shore Rod and Reel, North Shore Garden Guild, and a variety of other organizations and private rentals.
