

Almost Anything Goes

Summer 2018 Newsletter

June 15, 2018

Hi parents! Welcome to Almost Anything Goes! We are so happy to have already gotten to know some of our campers during the pre-camp session and are looking forward to meeting many more this upcoming week. This past week at pre-camp, we were located at Indian Hill Park on Tuesday and Wednesday. We had so

much fun playing games in the big field such as infinity tag, silent ball, and capture the flag. The campers also had fun playing on the playground, having dance parties, and doing arts and crafts inside when it got too hot. On Thursday and Friday we were able to re-locate to Hubbard Woods for the summer. The campers had so much fun on the Video Game Truck on Thursday, it was a nice break from the hot sun we have been getting all week. Friday we finished the week up with some more outdoor play, crafts and gym time. Hope the campers had as much fun as we did this week and are looking forward to Travel Week!

Have a nice weekend!

Almost Anything Goes Counselor Blurbs 2018

Group 1:

Sarah Kennedy

Hi!! My name is Sarah Kennedy, and I'm so excited to be a first year counselor at Almost Anything Goes! I've worked a different summer camp for two years and loved it. I babysit many kids that are also 2nd-4th graders and have so much fun with them, so I cannot wait to spend time and play games with your children! I'm most excited about our beach days and to play games like duck-duck-goose and infinity tag, as well as putting my friendship bracelet skills to work! A little about me, I graduated from New Trier in 2017, and just finished my first year at Tulane University studying in the A.B Freeman School of Business! I'm sorry I couldn't talk to you on the phone, but I am currently in Peru climbing Machu Picchu! I cannot wait to meet you and your children, and to have a very fun and safe summer. See you so soon!!

Natalie Shubny

Hello! My name is Natalie Shubny and this is my first year full-time counseling at Almost Anything Goes! For the past two summers I've been a CIT/Junior Counselor with Happiness Is and Almost Anything Goes, and I am overjoyed to be working with the 6-9 year olds this summer. Some information about myself, I am a junior at Highland Park High School. I've taken courses learning about childhood development and have interacted with children in my school, so I have loved to work with kids for a long time. Being a former WPD camper myself, counseling the kids that I once was gives me an opportunity to make the camper's experience even better. I am super excited for our field trips and adventures that we'll take and the fun we're going to have. I'm so happy to meet my campers and have a blast this summer!

Liam O'Neill

Hi! My name is Liam O'Neill and this is my first year working as a counselor for Winnetka Park District! Previous Summer's before this have spent on baseball fields and at the gym for me as I had played baseball all the way into college up until last year. I am currently a sophomore at Colorado Boulder University after transferring from Florida Southern College after my freshman year. I am currently studying economics and am really looking forward to meeting all the campers and giving them the best summer experience this year. I am especially excited for our beach days. I am looking forward to this summer and meeting everybody!

Group 2:

Chris Coan

Hi I am Chris Coan and this is my third year working at Almost Anything Goes! I have been working at a before and after school program during the school year at the University of Iowa with kids K-6th grade so transitioning back to AAG will be very easy for me. I am most excited for our beach days and field trips to water parks!

Kelly Kang

Hi! My name is Kelly Kang and I am a first year counselor at Almost Anything Goes! Last year I was a counselor at a sports camp in Wilmette, but I'm excited to be doing Almost Anything Goes this year. I just graduated from New Trier this year and am planning on attending Villanova University in the fall. I love to work with kids and am super excited to meet everyone, go on field trips, and just have a great summer in general!

Carlee Wolters

Hi, my name is Carlee Wolters! This is my first year as a summer camp counselor, although I have babysat throughout high school. I've lived in Winnetka my entire life and have always enjoyed attending these camps as a camper and hope to give your kids the same wonderful experience. I recently graduated from Lake Forest Academy and will be attending Southern Methodist University in the fall, where I plan on majoring in business. I'm looking forward to meeting you and your kids when camp starts!

Group 3:

Jacob Bleiweis

Hi. My name is Jacob Bleiweis. This is my second year as a camp counselor at Almost Anything Goes. I am going to be a sophomore at the University of Michigan in the fall. I'm thinking about studying either economics or statistics. I'm really looking forward to a great summer with all of the campers.

Sydney Heekin

Hi there! My name is Syd Heekin and I am very thrilled to be a first year counselor at Almost Anything Goes this summer. Last summer I was a swim instructor and lifeguard at the Wilmette park District, and am very excited to get to know and spend time with the 2nd-4th graders this summer. I just finished my senior year at New Trier High School and will be venturing off to Colorado in August to attend the University of Colorado Boulder. I look forward to playing games, beach days, and making lots of friendship bracelets! I cannot wait to meet all of you, and look forward to having an unforgettable summer. Please feel free to reach out to me for anything, see you very soon:)

Michael Miralles

Hi I'm Michael Miralles and I'm going to be working at camp Almost Anything Goes for the first time this summer! The past two summers I've worked at a wrestling camp, but I am more than excited to try something new this summer. A little about myself, I am a rising junior at New Trier High School and play soccer and wrestling. I can't wait for all the unique experiences at camp this year! See you this summer!
