Let the adventure begin!

Kicked off the summer in a big way. We biked around town, we swam, we played many games and went on some cool field trips. Gentle reminder to please get those waivers turned in for Twin Lakes field trip and Sky High Sports trampoline park. Also make sure you are bringing plenty of water and sunscreen. Going to be a hot one on Monday!

Week One Fun Photos

Welcome to Adventure Camp 2018

Welcome Adventure Camp campers and parents! We have many exciting and adventurous activities planned for your child this summer. You'll be pleased to know that we have a wonderful mix of new and returning staff. Please take a moment and get to know this year's Adventure Camp staff.

My name is Luke Jones and I'm back for my 9th year as Director of Adventure Camp! When I'm not at Adventure Camp, I work for School District 103 in Lincolnshire as an Adapted Physical Educator. I enjoy spending time with my wife, Liz and our 17-year-old Aidan (who is working at *Happiness Is* this summer!!), 14-year-old Lauren, and 2-year-old Gavin! **Sally Bass** is a rising Sophomore at Bard College; she loves to sing, read, cook, and have fun adventures! She loves art and games and she looks forward to meeting all the new campers this summer. **Rhea Mech** is a rising senior at New Trier High School. Some hobbies of hers include writing, arts and crafts, and almost anything that allows her to be outside. She has been involved in numerous different camps for 8 years now, as a camper, CIT, junior counselor, and counselor, she is looking forward to having a fun, safe summer with all the campers! **Michael Vorwald** attends Michigan State University and will begin his sophomore year this fall. Currently, he is studying History Education and plans on becoming a teacher. During high school, he was a member of Boy Scout Troop 20 and participated in cross country and track/field all four years, so I am very interested in all kinds of outdoor activities.

!!!! IMPORTANT REMINDERS!!!!

- We always meet at Maple Park at 9:00am and dismiss at 3:00pm.
- Please see the attached Camp Calendar for the day's activities and for what to bring. I highly recommend printing and posting on the refrigerator, to check on a regular basis.
- Make sure all Waivers are filled out completely.
- Take special note when gym shoes, bicycles, swimwear are needed!
- Make sure you bring sunscreen every day!
- EVERYONE MUST WEAR A HELMET AND SHOES WHEN BIKING, NO EXCEPTIONS!!

We look forward to a fun and safe summer! If you have any questions please do not hesitate to call or stop by camp during drop off or pick up times.

Best regards,
Luke Jones

RULES OF THE ROAD

There are two ways to acquire points. One is by making the shot, which is good for two points, three points from half court. The second is by acquiring penalty points assessed against the opposing team. (In all cases, penalty points are awarded to the team not guilty of committing the penalty. Play does not stop.) The referee officiates from a mezzanine above the court and will keep score and call all penalties.

- Four Point Penalty for collisions with excessive speed. The penalty goes against the person most responsible for the collision. Referee judgment call.
- Four Point Penalty for pushing off with feet or hands against an opponent's WhirlyBug™ or wall.
- Two Point Penalty for touching the ball with your hands unless it is wedged inside your scoop and is stuck there; or unless it goes inside your WhirlyBug™.
- Two Point Penalty for goal tending. Raising up in your seat to block a shot so as to be off your seat. You must keep your seat belt snug.
- Two Point Penalty for trying to free up the ball when it has been covered by opponent's scoop on the floor or against the side of his/her WhirlyBug™.
- Head on collisions and directed collisions from behind are determined by a judgment call from the referee as to who is more responsible for its occurrence.
- In the event the ball gets smashed, the referee will make a determination as to which team last touched the ball, should a new ball be needed.

WhirlyBall™ Safety

- No Running Permitted on the Court or in the Common Area.
- No Admittance to the Court Without WhirlyBall Staff Supervision.
- Keep One Hand on the Steering Column at All Times.
- Seat Belt Must Remained Fastened at All Times.
- No Play Allowed on the court Unless From Operating WhirlyBug™.
- Do Not Use Hands to Pick Up the Ball From the Court Floor.
- Do Not Use Hands or Feet to Push off Wall, Bumper, or Other WhirlyBug™.
- Ramming from behind will not be tolerated and Player will be Ejected from the court.
- Do not drive full speed into the wall or another WhirlyBug™, remove foot from accelerator pedal and turn to minimize impact.
- Do not bump another player while they are scooping up the ball from the court.
- No eating, drinking or smoking on the court.

The game of WhirlyBall™ is inherently dangerous and injury is possible even if all rules are followed. If you are not willing to assume the risk of injury please do not participate.

Failure to follow all rules or instructions may result in injury to yourself and others.
