Kiddie Camp

This has been a great start to the summer! We had a great time getting to know all the campers this week and thank you for all the cooperation with the changing locations. We are all super excited to continue our time together and make this the best summer yet!

Highlights from this week:

This week we got the chance to make Father’s Day cards and had the kids decorate their own cards to bring back home to their dads. Everyone had a fun time being able to color, write, and decorate their own special cards.

We also got to explore the fun activities that Crow Island has to offer such as the gym, playground, and playroom! We got to play on the swing set, the playground, and the sand box. We also played freeze dance in the gym and got to read some books in the classroom.

On Friday, we had a story bus come and read to us the story of the Little Red Hen. Afterwards, we got to explore the story bus and play in the kitchen, with the fishing rods and learn about different vegetables grown in a garden. Additionally, we made hand puppets after and the kids got to draw faces and make their own personalized hand puppet to take home!

Recap:

All the counselors are super excited to meet the rest of the kids and continue our summer with special guests, activities, and water days! We are all looking forward to the fun adventures to come and if you have any questions feel free to call the camp director, Katie, at (847)-770-0818. Thank you!
