

Middle School Madness

The first week of camp is in the books and it was a successful one! We enjoyed playing human foosball and human bowling on Tuesday. Wednesday we enjoyed the day at Play and Spin where we got race go carts, compete in a game of laser tag and play video games. Thursday we headed up to North to Wisconsin and played mini golf and a ton of other fun things at Americas Action Territory. Friday capped off the week at Tower Road Beach. We had some courageous campers brave the cold water while others tried their hand at fishing off the pier.

We look forward to another great week. We will start Monday with a video game truck and finish at the Winnetka Driving Range. Tuesday we will be back at the beach and will compete in a sand castle competition. Wednesday we will be attending Rink side sports where we will ice skate and play some video games and Thursday we will be bowling at Brunswick zone and heading over to Sky High Sports. Friday we will close out the week by heading back out to Tower Road Beach.

Important Information

*Lunch is provided on Wednesday
