## Important Information

The Winnetka Park District is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participant's safety. However, participants and parents/guardians of minors registering for this activity must recognize that there is an inherent risk of injury when choosing to participate in motor boat activities.

You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way or recently suffered an illness, injury or impairment, to consult a physician before undertaking any physical activity.

When boating, make sure that every person on board wears life jackets or personal floatation devices. Check weather conditions before leaving, carry a radio to receive regular weather reports and keep an eye out for storms. Never allow anyone to ride in the bow – keep all passengers in their seats. Do not overpower your boat by exceeding its horsepower rating – overpowered boats are very unstable and can capsize when turning. Too much weight can cause the boat to capsize or sink. Power-driven boats should always give the right of way to sailboats, canoe, and other boats without motors.

## Warning of Risk

Motor boating can be dangerous and risky. Despite careful and proper preparation, instruction, medical advice, conditioning and equipment, there is still a risk of serious injury, including death. All hazards and dangers cannot be foreseen. Certain inherent risks include failing to follow safe boating rules and regulations, drinking alcohol, failing to yield the right of way to other boats, traveling too fast for water or weather conditions, overloading the boat, carelessness or horseplay, inexperience, improper installation and maintenance of equipment, collisions between boats, striking natural or artificial surface or subsurface objects, failing to wear life jackets or personal floatation devices, losing control of the boat, acts of God, dangerous weather and water conditions, inadequate instruction/supervision, and all other risks inherent in motor boating. In this regard, it must be recognized that it is impossible for the Park District to guarantee absolute safety.

## Waiver and Release of All Claims and Assumption of Risk

Please read this waiver carefully and be aware that by continuing with this registration and participating in the identified programs/activities, you will be expressly assuming all risk and all legal liability, and waiving and releasing all claims for any disease (including but not limited to contracting or spreading COVID-19), injury, damages, or loss that you, and your minor child/ward, might sustain as a result of participating in the above referenced programs and activities (including transportation services/vehicle operation, when provided).

I recognize and acknowledge that there are certain risks of physical injury and disease to participants in these programs/activities, and I voluntarily agree to assume the full risk of any and all injuries, damages or losses, regardless of severity, my minor child/ward or I sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward, may have (or that might accrue to me or my child/ward) as a result of participating in these programs/activities against the Winnetka Park District, including its officials, agents, volunteers and employees (hereinafter collectively referred as Winnetka Park District). I do hereby fully release and forever discharge the Winnetka Park District from any and all claims for disease, injuries, damages, or losses my minor child/ward, or I may have or which may accrue to me, my minor child/ward, or any other individuals arising out of, connected with, or in any way associated with these programs/activities. Further, I do hereby indemnify, defend, and hold the District harmless from and against any and all claims, causes, injuries, damages and losses by third parties against the District arising from or in any way related to my or my child's/ward's participation in the identified programs/activities described above. I have read and fully understand the above important information, warning of risk, assumption of risk and waiver and release of all claims. If registering online or via fax, my online facsimile signature shall substitute for and have the same legal effect as my signature on an original form.

**Residency Policy:** Recreation program residency rates apply to everyone who lives within Park District boundaries and pays Winnetka Park District taxes. Non-residents pay an additional non-resident fee per program. Non-residents fees are the second fee shown in program descriptions.

**Photo / Video Policy:** Photos and video footage are periodically taken of participants in a class, during a special event or at the District's parks and facilities. Please be aware that, by signing this waiver and release you are authorizing the District to use these photos and video footage for advertising and promotion without your further permission and without any compensation to you. All photos/videos are property of the Park District.
