Winnetka Parks Foundation

Who We Are

The Winnetka Parks Foundation (WPF) is an official 501(c)3 nonprofit organization, established in 1999 to enrich our village parks, beaches, recreational activities, and community events. In partnership with the Winnetka Park District and other entities, the WPF also coordinates and sponsors youth programming events to engage underserved communities, extending our outreach beyond the Village of Winnetka. Through generous donations from community members, the foundation has raised more than \$1M to help fund key Winnetka Park District projects and events.

Fundraising Events

We're in the process of planning upcoming fundraising events, like another kickball tournament, One Camp, and more. Check back here and our website for updates!

MVP Cup: Parent Soccer Tournament

SATURDAY, MAY 20 | 5:30PM | \$100 PER PERSON | SKOKIE PLAYFIELD

Calling all moms + dads! Get off the sideline, throw on some cleats, and head to the inaugural Most Valuable Parents (MVP) Cup! The Winnetka Parks Foundation will host an evening of friendly soccer games and post-match happy hour to benefit the Winnetka Parks Foundation and Park District. The event will feature two games played on a half field, followed by a happy hour of food and drinks for purchase. Children and neighbors are encouraged to spectate!

Player cost is a \$100 donation to the Winnetka Parks Foundation, all for a great cause. Each player will receive one food + beverage voucher, and be entered in a raffle drawing for a family beach pass. Additional food + drink will be available for purchase. Registration deadline is **Friday, April 21, 2023**.

Ways to Give

When you invest in the Winnetka Parks Foundation, you are investing in your community. The WPF is here to make it easy for you to get involved and give back to your parks and your community today at winnetkaparksfoundation.org.

Join the Foundation Board

Beyond generous donations, one of the most valuable gifts you can give is your time. We're always looking for new board members and volunteers, and would love to have you on our team. If you are interested in learning more about Winnetka Parks Foundation board opportunities, please reach out to John Peterson, Executive Director for the Winnetka Park District, at jpeterson@winpark.org or (847) 501-2074.

FAQs

Flexible Scheduling

Early Drop Off and After Camp: We offer early drop off and late pick up for our general interest camps. Early drop off and/or late pick up can be added for every day your child is joining us, even select weeks.

Select Week Options: Parents have the option to enroll their child all summer or select single or multiple weeks throughout the summer.

Variety of Camps + Activities

We've built our camps to give children the opportunity to get outside and be active by enjoying the beach, going on field trips, and engaging in a variety of sports, arts, crafts, and enrichment activities with peers. No single day at our camps is the same!

In addition, we offer specialty camps for every interest.

Safety

Our camper to staff ratio ranges from 5 to 1 through 8 to 1, and all of our youthful and energetic staff are CPR certified. This ensures that counselors are able to provide the direction, encouragement, and safe environment every camper needs to have the perfect summer.

Week of June 12

Due to the current school calendar, camp logistics for the week of 6/12 - 6/16 are still being worked on. If any dates during this time become available, we will update the website and brochure accordingly. Please also check out the summer brochure for more information!

Kiddie Camp

AGES: 3 - 4 (must be age 3 by the last day of camp)
NO CAMP: July 4

Winnetka Park District’s staff recognize that for many parents this will be the first time someone other than family will be caring for their child. We respect the fact that you have entrusted us with your child and will make it our responsibility to provide a safe and fun experience for each little camper. Our counselors are responsible young adults who have completed the Park District’s comprehensive training program.

Campers will be exposed to arts and crafts, games, sports, outdoor/nature activities, story time, special events, theme weeks, water-themed days, visits from special storybook readers and magicians, and so much more! Kiddie Camp campers do not go on any beach or field trip days.

Camp requirements: Campers must be toilet trained. All campers should bring a snack and water each day. If staying for Lunch Bunch, please provide lunch or use our lunch service. There is no access to a refrigerator or microwave.

Adventure Camp

GRADES: 6 - 8

NO CAMP: July 4

Get your child outdoors this summer with our active and fun Adventure Camp!

In an age filled with digital screens, we make every effort to keep children outdoors, while being active, having fun, and developing team building and social skills with their fellow peers.

Campers will have beach days, active sports days, afternoons at the Park District's facilities, go stand up paddleboarding, take bike excursions, have special events, go on field trips, and more.

While our calendar is still in the works, we are likely to take at least one full-day trip each week – on top of the other half day trips scheduled – to expand our horizons and get the most out of various destinations. Campers will need to attend full day camp if they are registered for half day camp. More information on the day camp schedule will be provided closer to the start of camp.

Counselors in Training

AGES: 13 - 15

NO CAMP: July 4

This training program makes a great summer activity for teens – especially those that have wonderful memories of being campers themselves!

While many of the teens looking to be Counselors in Training have knowledge and experience working with children, being a counselor provides a new skill set beyond babysitting. They will gain valuable work experience necessary for the future, including managerial skills, leadership skills, responsibility, and enhanced communication skills.

Participants can register for multiple sessions to create a full summer as well as stay through lunch for an entire day. Check out the camp descriptions to learn more about the happenings of each camp.

SPOTS EXTREMELY LIMITED. REGISTER EARLY!

Orientations

A strongly recommended orientation will cover counselor responsibilities and expectations, safety policies + procedures, how to handle various situations that could occur, camp activities + games, and more. Location is TBD.

Junior Counselors

Looking for information on Junior Counselors? Any 15 year old who has completed the CIT program is eligible to apply for a paid position at camp. Apply online at winpark.org/job-opportunities.

DiscoverGolf Wee

AGES: 4 - 7

NO CLASS: week of July 4

DG Wee summer is an introduction to golf through PLAY. While always in direct contact with clubs, balls, and their desired target our youngest gamers are busy constructing zoos, de-constructing totem poles, collaborating on an epic race around the "DG grand prix" track and everything in between. When emotional engagement happens; learning happens, that's DG Wee.

Camp sessions are offered in the mornings and afternoons for one and two hour durations. Participants can choose to sign up for one week or multiple weeks. All participants may choose their preferred schedule.

DATES: June 12 - August 11 | **TIME:** 9 - 11am | 2 - 4pm

DiscoverGolf Play

AGES: 8 - 13

NO CLASS: week of July 4

The DiscoverGolf Winnetka summer camp is truly AN EXPERIENCE unlike any other. DG summer camps transform "junior golf" into a stage, where players act out and through the golf club. Deeply inspired by the "ecological approach," players are tasked with ever changing problems to solve, engaging them with the natural constraints of PLAY that give rise to golf – social – individualized PERFORMANCE. In a DiscoverGolf summer camp setting, the only "fundamental" is attentive, emotionally driven concern towards gameful pursuits!

Camp sessions are offered in the mornings and afternoons for two hour durations. Participants can choose to sign up for one week, multiple weeks, or individual days. All participants may choose their preferred schedule.

DATES: June 12 - August 11 | **TIME:** 8:30 - 10:30am | 1:30 - 3:30pm

DiscoverGolf Mastery

AGES: 13+

NO CLASS: week of July 4

The 2023 DG Mastery program features an expertly crafted practice space for th_ players looking to get to the next level. MASTERS "learn how to learn," which means exposure to a variety of practice contexts, a willingness to compete against previous, personal bests and others, and ultimately a forging of self-reliance.

Camp sessions are offered in the afternoons. Participants can choose to sign up for a 10, 20, or 30 class pass.

DATES: June 26 - August 10 | **TIME:** 1:30 - 3:30pm

DiscoverGolf Princess

AGES: 9 - 13 (girls only)

NO CLASS: week of July 4

DG Princess is a playful, fierce, and confident enactor of her heroic tale. A DG Princess might live out a story that is more social and lighthearted than some of her male counterparts but is no less purposeful and impressive. Our game engineer team addresses the specific needs of our female cohort with expressive, collaborative play formats infused with objectives that physically fortify HER golfing prowess! The DG Princess program has long served as one of our most popular programs for its balance between work and play, leading to positive, all-encompassing results

Camp sessions are offered in the mornings and afternoons for two hour durations. Participants can choose to sign up for one week, multiple weeks, or individual days. All participants may choose their preferred schedule.

DATES: June 12 - August 11 | **TIME:** 8:30 - 10:30am | 1:30 - 3:30pm

DiscoverGolf Queen

AGES: 13+

NO CLASS: week of July 4

The structure of this unique program is to allow all DG Queens to preside over their unique goal structures with effort and poise. As the pendulum swings to the work side of the work-play continuum, opportunities for greater understanding and resiliency emerge. Retaining important features of compelling social scenes and group comradery, the DG Queen programs expertly guides each player through their own self-improvement journey while harnessing the intention, identity, and ENERGY of the group.

Camp sessions are offered in the mornings and afternoons for one and two hour durations. Participants can choose to sign up for one week or multiple weeks. All participants may choose their preferred schedule.

DATES: June 12 - August 11 | **TIME:** 8:30 - 10:30am | 1:30 - 3:30pm

Northshore Trevians

The Northshore Trevians is the youth tackle + flag football feeder program to New Trier High School. Taught the right way, with health and safety of our young athletes as our number one priority, our players benefit from the early development with New Trier's offensive and defensive play schemes. Our experienced coaches and directors work to ensure safe, positive and enriching experience for all participants. Central to this commitment is our partnership with New Trier High School Head Varsity Coach, Brian Doll and his coaching staff. The program uses Winnetka Park District turf fields for practices and games, as well as New Trier High School turf fields for home games.

Fielding teams ages 6 - 14 years old, we provide a fun place for kids to play that include all sizes and skill levels:

- » **FLAG FOOTBALL:** Kindergarten - 2nd Grade
- » **7V7 NON-CONTACT FOOTBALL:** 6th - 8th Grade
- » **GIRLS FLAG FOOTBALL:** 3rd - 8th Grade
- » **TACKLE FOOTBALL:** 1st - 8th Grade

Kenilworth-Winnetka Baseball Association

Kenilworth-Winnetka Baseball Association (KWBA) is a non-profit, volunteer organization that creates a fun, safe, community environment for boys and girls to play baseball, build character, learn sportsmanship, develop skills, and make friends.

KWBA offers a fall league for boys + girls in grades 1-8. Teams are formed by school as best as possible. Friend requests are accepted (secretary@kwba.org). Volunteer coaches can choose their teams to a certain number of players.

REGISTRATION + MORE INFORMATION: kwba.org/registration.

American Youth Soccer Organization

The American Youth Soccer Organization (AYSO) philosophy is to provide soccer programs that enrich children's lives. Our program is heavily based on child development principles. We encourage our players to learn and grow in both sports and social skills. We believe that all players should be able to develop their soccer skills and knowledge to the best of their abilities, both individually and as members of a team, in order to maximize their enjoyment of the game.

Any child who wishes to play may register. AYSO is not limited to any specific group of people. To the extent possible, all teams in each two-year age division are created equal, with similar composition of experienced versus inexperienced players, and older versus younger players in that age division.

Learn to Skate

About the Curriculum

The Learn to Skate USA curriculum offers something for everyone—from the first steps on the ice to mastering advanced techniques. It is recognized as the world's best skating program and is endorsed by US Figure Skating, USA Hockey, US Speedskating, and the Special Olympics.

Young or First-Time Skaters

For young or first-time skaters, learning to skate on traditional skates is much easier and safer. Our Learn to Skate introductory courses allow children to build the confidence needed to transition to hockey skates. Children with no prior skating experience must complete one full session of Snowplow Sam or Basic 1 skating to participate in our Mini Hawks Hockey Program.

Snowplow Sam

These introductory classes for ages three through kindergarten help new skaters gain confidence and learn basic skills. Children will learn the ABCs of movement on ice (agility, balance, coordination, and speed). All classes are taught in a safe environment using enjoyable games to keep children entertained.

Basic Skills

Basic Skills teaches first-graders and older the fundamentals of skating and provides the best foundation for figure skating, hockey, and speedskating. Skaters will progress through the six levels at their own pace, advancing after skill mastery is demonstrated.

Levels 1 - 2: These levels allow new skaters with no prior experience to build confidence while learning.

Levels 3 - 6: These levels develop the fundamental skills. The focus is the ABCs of basic athleticism: agility, balance, coordination, and speed. Upon completion, skaters can advance to more specialized skating areas.

Free Skate

Each free skate level is comprised of a variety of advanced skating skills, transitions, spins, and jumps that build on the previous skill. These levels are taught in a positive and interactive group format. Instructors will focus on quality and mastery of skills.

Snowplow Sam

A perfect class for our youngest skaters, three years to Kindergarten. Our experienced staff use on and off ice instruction to build a confident skater. Learning the basics is encouraged through fun and games. All skaters must wear traditional skates. No hockey skates allowed for beginner skaters. Loaner helmets and gloves will not be available.

Private Lessons

Private lessons are available to all skaters, regardless of age or skill level. Private lessons are a supplement to group lessons and an opportunity for personalized approach focusing on a skater's individual needs. Skaters benefit from private lessons, which will help them progress at an accelerated pace with fewer distractions. Private lessons also prepare skaters for skating competitions and advanced testing.

For more information or to book your lesson, fill out a form at winpark.org/ice-private-lessons.

(847) 446-9004

Since our inception in 1972, the Winnetka Hockey Club has remained true to its original mission to provide community based hockey to the children of Winnetka, Glencoe, Kenilworth, and Northfield. We take great pride in offering both recreational (house) and competitive (travel) programs to meet the needs of all interest levels. We do this through the combined efforts of our Board of Directors, professional staff, and volunteer coaches.

Why Youth Hockey?

Fast Paced: Games generally last one hour. It's a great sport in the winter when physical activity may be limited.

Teamwork: Hockey requires that your child learn to cooperate with teammates.

Lifetime Sport: Hockey is a sport that many play into their 50s and 60s.

Community: Your child will play with their schoolmates and make new friends through hockey. Winnetka hockey is widely respected within the community for its organization and structure.

Respect: At the core of our sport is respect for teammates, respect for the opposition, respect for the officials, and respect for the game.

Junior Pathway

A.C. Nielsen Tennis Center's Junior Pathway is a progressive, skill-based program designed for tennis players ages four to 18. Our USPTA and PTR certified coaching professionals work directly with students to develop the skills required to play tennis for a lifetime. Players move through the levels based on their ability to demonstrate the necessary skills rather than a pre-specified time frame. This approach ensures that every student is given the necessary instruction required to improve and grouped with other players of a similar skill level.

Learn more about each level on page 104.

Note about levels

Take into consideration your child's skills and age to ensure the most engaging experience for all class participants. When registering, please enroll in a class that is appropriate for both skill level and age group. If you aren't sure of your child's skill level, one of our pros can help you out.

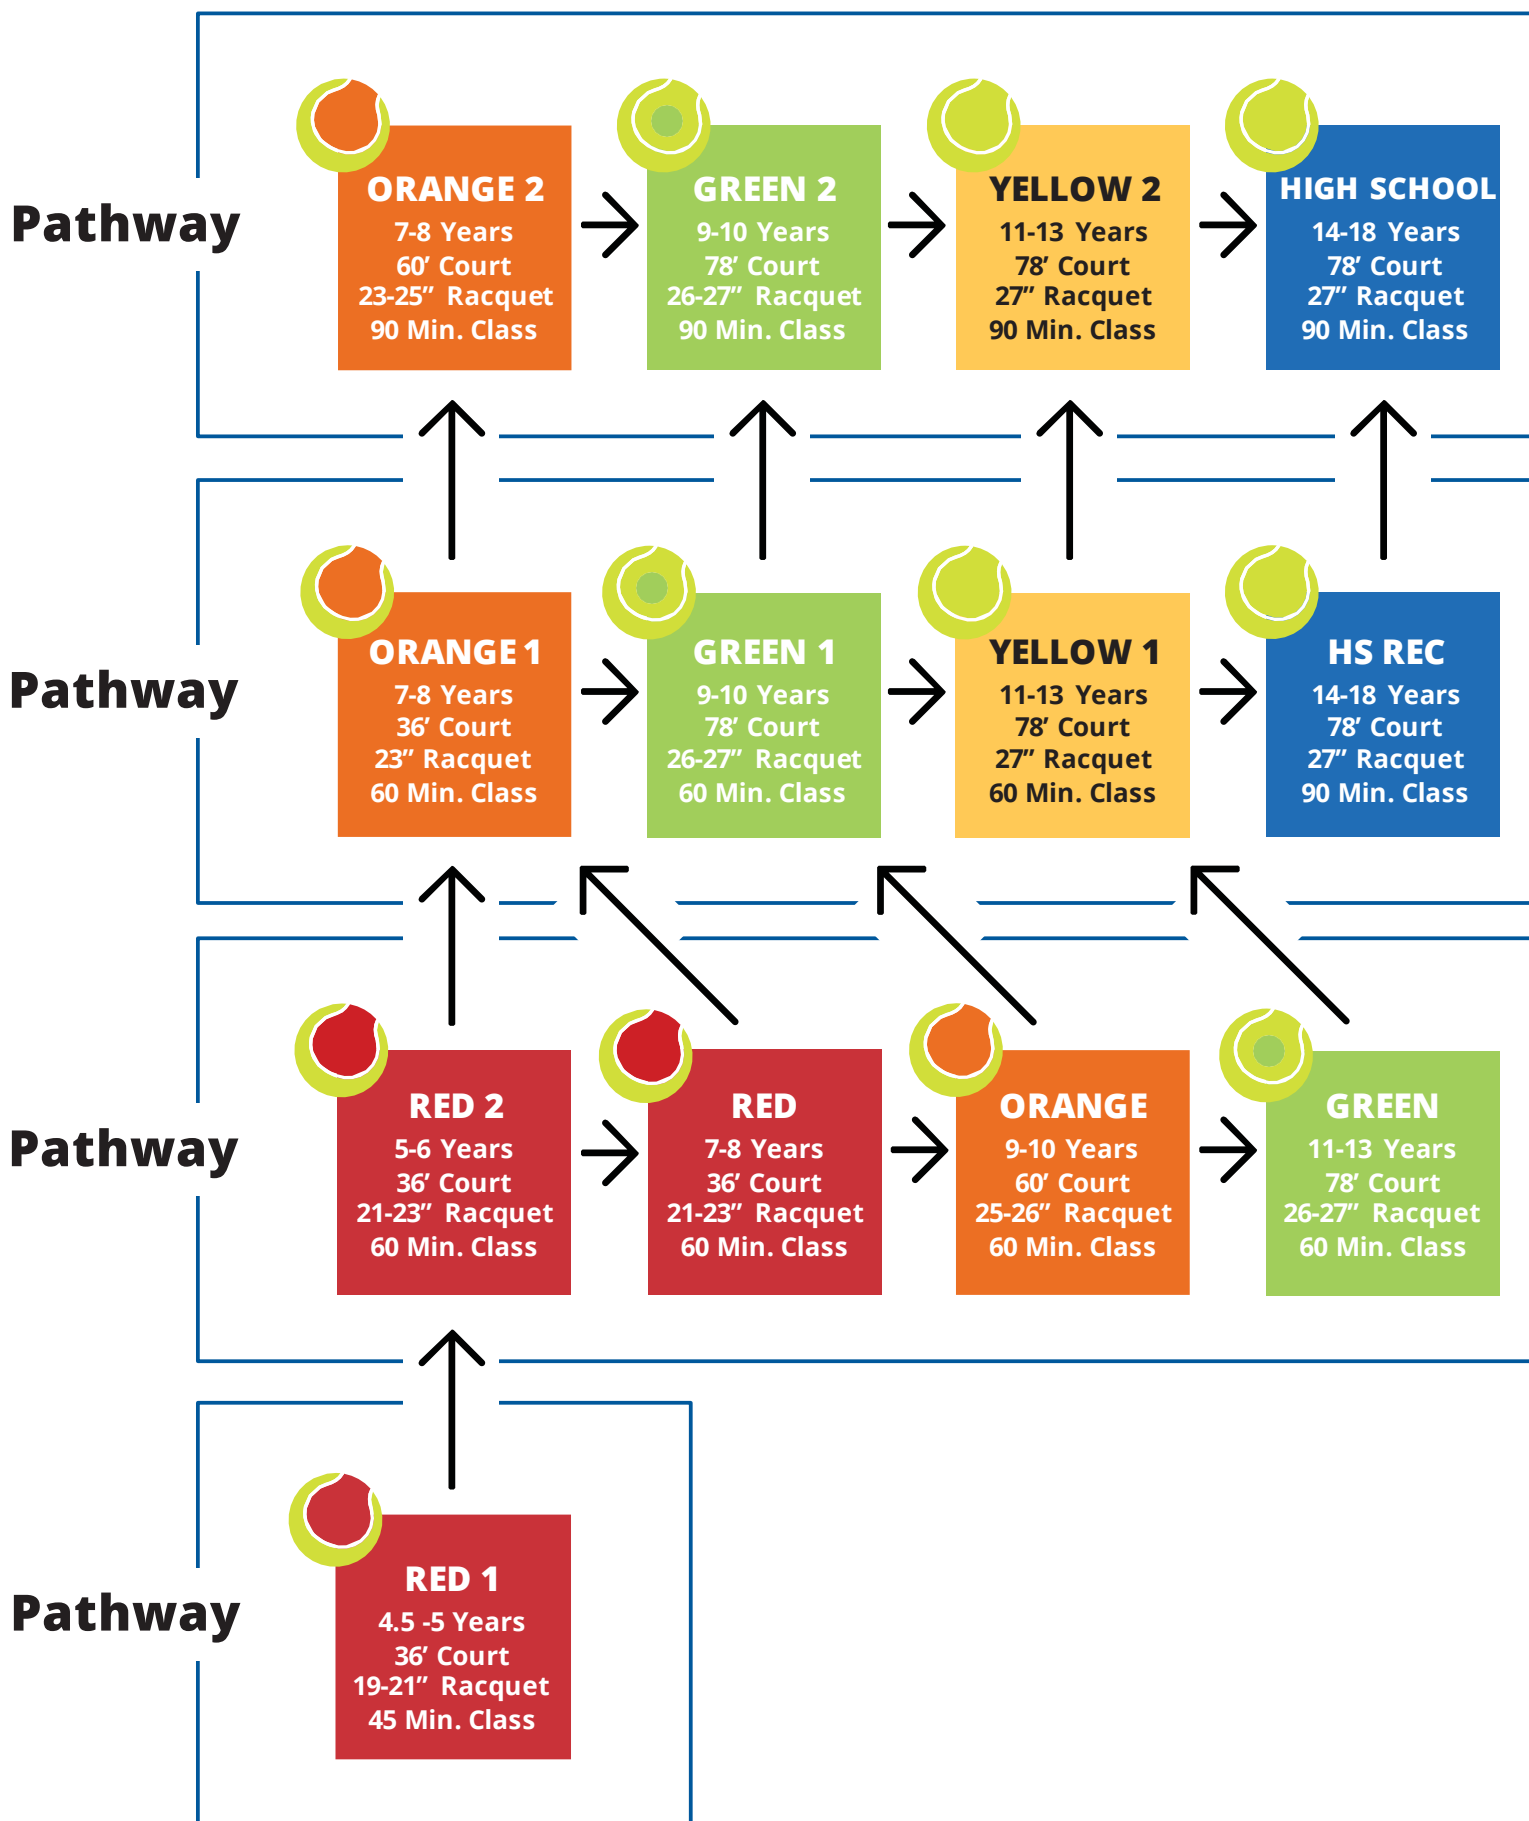

If players enroll in the incorrect class based on skill level, we may suggest players move to a different class if room is available. Mid-season, all players will receive an evaluation that includes the appropriate class to register for the next season.

Foundational Pathway

RED 1

This level is for junior players just starting to play. Students will learn the ABCs of tennis – agility, balance, coordination, and speed. Players are exposed to tennis games that allow them to have fun while developing essential skills, like proper stroke technique required to send and receive shots. Fun is emphasized to help students cultivate a lasting passion for the sport. All new students will receive a racquet on the first day of class.

Introductory Pathway

RED 2

This level is for junior players with little to no tennis experience or who have completed **RED 1**. The curriculum is focused on helping students further develop the ABCs of tennis – agility, balance, coordination, and speed. Students will learn how to initiate a rally, how to judge the projection of a ball's location and move in response to it (reception and centering), how to control the racquet at the point of contact, and additional skills that will provide a strong foundation for their future tennis development.

RED

This level is for junior players just starting to play tennis. Activities focus on further developing the ABCs of tennis – agility, balance, coordination, and speed – while cultivating the on-court skills required to serve, rally, and score.

Before advancing to **ORANGE 1**, players must demonstrate a solid understanding and consistent execution of basic techniques.

ORANGE

This level is for junior players who have minimal experience playing tennis. The focus at this level will be on developing on-court athletic skills while learning and refining the techniques necessary to serve, rally, and score.

Before advancing to **GREEN 1**, players must demonstrate a solid understanding of basic technique and consistently execute it during rallies with peers.

GREEN

This level is for junior players who have limited tennis experience. This class is taught using a green dot ball and focuses on developing sending/receiving skills, sound footwork, and racquet mechanics while incorporating comparable athletic skills developed in other sports. Players will learn how to properly position themselves to execute groundstrokes and volleys, hit with purpose, serve and sustain a rally with varying speed and duration. Before advancing to **YELLOW 1**, players must demonstrate a solid understanding of basic technique and consistently execute it during rallies with peers.

Recreational Pathway

ORANGE 1

This level is for junior players who have completed **RED 2** or **RED**. Students are introduced to various spins and grips on both forehand and backhand strokes, and when to use each. The curriculum focuses on developing the ability to place the ball in open spaces intentionally. Before advancing to the next level, students must demonstrate their ability to be consistent with ball placement and conduct medium length rallies to six to eight shots. This level is typically the longest when compared to other development stages.

GREEN 1

This level is for junior players who have completed **ORANGE 1** or **ORANGE** and seek to develop further consistency in shot execution and proper technique for recreational tennis. Each player will learn to identify their strengths and how best to apply them in a game setting.

YELLOW 1

This level is for junior players who have completed **GREEN 1** or **GREEN**. Players are exposed to a full range of drills focused on technical and tactical skill development, including movement, recovery, and decision making.

HIGH SCHOOL REC

This level is for junior players who are interested in expanding their technical and tactical skills for recreational tennis. Emphasis will be on developing strategies for offensive and defensive play, and ball control consistency, direction, depth, and spin. A variety of adaptive skills will be introduced using dead ball drills, live ball drills, and match play situations.

Competitive Pathway

ORANGE 2

This level is for junior players who have completed **ORANGE 1**. Tryouts are required to advance to this level. Players will be introduced to the 60" court and taught control, spin, and positioning strategies to consistently sustain a rally and cooperate with a partner. Emphasis will be on developing and maintaining proper technique during points and serves — both of which are required to advance to the next level. The last 20-30 minutes will include singles and doubles games to help students develop skills and teach scoring. Players should practice on-court skills twice per week.

GREEN 2

This level is for junior players who have completed **ORANGE 2** or **GREEN 1**. Tryouts are required to advance to this level. Players will work on executing patterns of play, varying the spin and pitch of their shots, demonstrating the correct footwork pattern to strike the ball, and capitalizing on their strengths against an opponent's weaknesses. Players learn and experiment with various play styles, including serving and volleying, and defensive and neutral tennis. While in this level, we recommend that players practice court skills twice a week and participate in one or more USTA tournaments.

YELLOW 2

This level is for players who have completed **GREEN 2** or **YELLOW 1**. Tryouts are required. At this stage of the pathway, players have chosen tennis as their primary sport and are regularly participating in USTA tournaments. The curriculum focuses on enhancing strengths by developing strategies that align with skills.

HIGH SCHOOL

This level is for juniors who are playing on a high school team.

The objective will be to improve competitive match-play performance, emphasizing footwork and positioning, match play tactics, mechanics, mental toughness, and sportsmanship.

Junior Summer Clinics

Students will be evaluated and placed with the appropriate age and ability level, while utilizing proper court size and ball type (red, orange, green, yellow).

Ages 4.5 to 5 (Indoors)

Class Levels

Please contact Alexander Shubny at (847) 501-6135 to schedule an on-court evaluation before registration. Participants may also determine their skill level through the descriptions below.

Beginner (1.0 - 1.5)

Has limited or no experience and is still working on getting the ball in play.

Advanced Beginner (1.5 - 2.0)

Needs on-court experience. Beginning to develop their form and can get the ball in play at a slow pace, but exhibit an inconsistent toss.

Intermediate I (2.0 - 2.5)

Learning to judge where the ball is going but court coverage is weak. Can sustain a short rally at a slow pace with other players of the same ability.

Intermediate II (2.5 - 3.0)

Fairly consistent when hitting medium-paced shots. Can successfully place shots most of the time and sustain a rally, but is not comfortable with all strokes and lacks execution when trying for directional control, depth or power.

Advanced I (3.0 - 3.5)

Has achieved improved stroke dependability with directional control on moderate shots, but still lacks depth and variety. Players are beginning to develop a spin.

Advanced II (3.5 - 4.0)

Has dependable strokes, including directional control and depth on both forehand and backhand shots. Uses various shots, can place the first serve and force some errors, and demonstrates good positioning. May be starting to master the use of power and spins but tends to misjudge ability on difficult shots.

Advanced III (4.0 - 4.5)

Starting to master the use of power and spins. Can control depth, anticipate shots, and handle a mixed sequence of volleys. Frequently has outstanding shots and sound footwork. Tryouts required.

Note about levels

Take into consideration your ability to hit the ball over the net, strategic placement, and agility on the court when deciding on a level. Check out our class descriptions to see if they fit your skills and what skills you'll develop in those classes. If you're still unsure of your level, one of our pros can help you out.

After the first two weeks of the fall session, we'll conduct an informal skill level evaluation of all players. Based on evaluations, we may suggest players move to a different class if room is available. Mid-season, all players will receive an evaluation that includes the appropriate class to register for the next season.

Women's Stroke of the Week Clinics

Struggling with your serve? Overwhelmed by overheads? Vexed by volleys? These clinics could be perfect for you! Each week will focus on different strokes to help students perfect the one that needs the most improvement. The first hour will be dedicated to technique development through drills. The last half hour will be spent doing match play so players can put the technique learned into practice.

Each clinic is offered individually so students can register for only the ones they are interested in.

Stormwater Project

See page 136 for updates about the Par 3 Course and 18-hole Course as it relates to Stormwater Construction.

Stormwater Project

About the Project

The Village of Winnetka is building stormwater collection and holding tanks under the Winnetka Golf Course. The new detention/drainage system is designed to alleviate flooding in the Winnetka community.

The Park District is excited to collaboratively work with the Village in support of the stormwater project. We also look forward to offering our community, and beyond, a brand new nine-hole and 18-hole course in the future!

Junior Golf Program

DiscoverGolf

The DiscoverGolf program is delivered by Richard Franklin, the founder of DiscoverGolf, a 15 year devotee to early childhood golf development programs, and is widely considered as one of the most innovative and knowledgeable professionals in all of junior golf.

His programs, including DGWee, have been conducted at LPGA and Korn Ferry Tour events and have been featured on Golf Channel, NBC, Golf Digest, Golf Magazine, PGA.com, CDGA Magazine, Barons Magazine, and the Golfer's Journal.

Spring DG Wee

AGES: 4 - 7

DG Wee supports an embodied-embedded-extended cognition perspective that frames skill as an emergent, performative coordination between an emotional brain, a situated body and a socio-material landscape. DG Wee is committed to the application of the research that emphatically places motor control in the pantheon of "higher cognition," moving junior golf towards enlightened physical education.

DG Wee presents golf as such: a sequence of environmental problems to be addressed by coordinated motor solutions. Golf-the-medium in this context is stick-ball-child. When distilled down to this core expression, golf's traditional-emotionally vacant backdrops can be replaced with story bound-game-play-theatre dynamics that provoke and inspire meaningful, situated learning contexts.

Spring DG Play

AGES: 8 - 13

The DiscoverGolf Play program is a faithful extension to themes introduced in the DG Wee program. Its overarching goal is to consider golf development in context of an educational scaffold that supports children's adaptive problem solving skills. Replacing explicit, paint by numbers, rote repetition is a "cognitive ecosystem" of play—leveraging myriad instruments, tools, emotionally laden tasks, and social scenes to guide children to a state far superior to basic "competence."

"Golf" is medium par excellence in terms of its infinite variability (downhill chip, 6-foot breaking putt, 9-iron out of deep rough, tee shot on the 18th hole under pressure). Therefore, golf is analogous to life, a myriad of assorted and unique problems to be solved. DiscoverGolf sees its educational payload as the accumulation of a highly functional, repertoire of behavioral skills that underpin both golf and life's mastery pursuits.

Lessons are offered one, two, or three days a week. All participants may choose their preferred schedule

Spring DG Mastery

AGES: 13+

DG Mastery is about exposing our oldest, most invested players to this “mode of mastery.” This “mode” is as much about the embodied, real time education born from coping within highly competitive scenes as it is a mandate of specific swing characteristics. To be sure, DG Mastery will narrow the “window of acceptable movement patterns,” but will and always has found its success in how players grow and integrate their kaizen (incremental and disciplined improvement) practice within the symphony of other life projects.

| Activity # | Day | Date | Time | Res/Non-Res |
|------------|-------|------------|--------------------|-------------|
| G29310-01 | Th,Su | 4/20 - 6/8 | 4-6pm/11:15-1:15pm | \$1,195 |

DG Mastery Summer Camp

AGES: 4 - 7

The 2023 DG Mastery program features an expertly crafted practice space for those players looking to get to the next level. MASTERS “learn how to learn,” which means exposure to a variety of practice contexts, a willingness to compete against previous, personal bests and others, and ultimately a forging of self-reliance.

DG Wee Summer Camp

AGES: 4 - 7

DG Wee summer is an introduction to golf through PLAY. While always in direct contact with clubs, balls, and their desired target our youngest gamers are busy constructing zoos, de-constructing totem poles, collaborating on an epic race around the "DG grand prix" track and everything in between. When emotional engagement happens; learning happens, that's DG Wee. Camp sessions are offered in the mornings and afternoons for one and two hour durations. Participants can choose to sign up for one week or multiple weeks. All participants may choose their preferred schedule.

DG Play Summer Camp

AGES: 8 - 13

The DiscoverGolf Winnetka summer camp is truly AN EXPERIENCE unlike any other. DG summer camps transform “junior golf” into a stage, where players act out and through the golf club. Deeply inspired by the “ecological approach,” players are tasked with ever changing problems to solve, engaging them with the natural constraints of PLAY that give rise to golf – social – individualized PERFORMANCE. In a DiscoverGolf summer camp setting, the only “fundamental” is attentive, emotionally driven concern towards gameful pursuits!

Camp sessions are offered in the mornings and afternoons for two hour durations. Participants can choose to sign up for one week, multiple weeks, or individual days. All participants may choose their preferred schedule.

DG Princess

AGES: 8 - 13 (girls only)

A DG Princess is a playful, fierce, and confident enactor of her heroic tale. A DG Princess might live out a story that is more social and lighthearted than some of her male counterparts but is no less purposeful and impressive. Our game engineer team addresses the specific needs of our female cohort with expressive, collaborative play formats infused with objectives that physically fortify HER golfing prowess! The DG Princess program has long served as one of our most popular programs for its balance between work and play, leading to positive, all-encompassing results.

DG Queen

AGES: 12+ (girls only)

The structure of this unique program is to allow all DG Queens to preside over their unique goal structures with effort and poise. As the pendulum swings to the work side of the work-play continuum, opportunities for greater understanding and resiliency emerge. Retaining important features of compelling social scenes and group comradery, the DG Queen programs expertly guides each player through their own self-improvement journey while harnessing the intention, identity, and ENERGY of the group.

☐ Elder Lane Beach Closed

Due to current lake levels and potential safety concerns, Elder Lane Beach will be closed for the 2023 beach season, unless the Park District Board determines the beach safe for patron use and votes to reopen the beach.

Dog Beach

CENTENNIAL BEACH

About

Centennial dog beach is an off-leash swimming beach located on Lake Michigan. It's the perfect place for your four-footed friend to get some exercise, go for a swim, or just have some fun. The beach is open dawn to dusk throughout the year, weather permitting. All patrons must have a valid pass to enter the dog beach.

Temporary Dog Leash Requirement

At its March 23, 2023 meeting, the Winnetka Park District Board of Commissioners approved Winnetka Park District Ordinance 596: An Ordinance Restating and Amending Ordinance 504 existing Leash Requirements For Domesticated Dogs.

The ordinance formalizes the new temporary leash requirements (sand area is now on-leash only) at Centennial Beach dog beach until such time the Park District staff obtains approval from the Village of Winnetka's Design + Review Board and Board of Trustees and approval from the Illinois Department of Natural Resources to install a temporary fence, and/or the Park District constructs a permanent fence and/or breakwater at Centennial Beach.

Dog Beach Passes

SEASON PASS DATES: APRIL 1 - MARCH 31

Park District staff reserve the right to shorten the season based on Centennial Beach construction requirements.

| Season Pass | Res/Non-Res |
|------------------|-------------|
| First Dog | \$50/200* |
| Additional Dog | \$25/50 |
| Replacement Card | \$20/\$20 |

*Fee includes a mandatory \$100 village parking pass.

Pass Requirements

- » Rabies tag number
- » Village tag number
- » Proof of current Bordetella, Distemper, Hepatitis, Para-Influenza, Parvovirus, and Leptospirosis

How to Purchase

Download a season pass application at winpark.org/passes and email it to wpdinfo@winpark.org.

□ Temporary Closures

For the 2023 season, the dog beach will not be accessible when lakefront conditions are deemed dangerous. The gate will not open, even with a key fob. We encourage patrons to check the beach's status before they come by visiting winpark.org/status-alerts or downloading the RainOut Line app.

Parties + Rentals

YOUR NEXT CELEBRATION STARTS HERE!

We offer indoor and outdoor rentals at our beautiful parks and facilities. Flip through this brochure to learn more or give us a call at (847) 501-2040.

Visit winpark.org/parties-rentals for more details.

Youth Themed Parties

Celebrate your child's next birthday with the Winnetka Park District! Our staff takes the stress out of your event with a full service party package so you can focus on creating memories with your child and their friends, and not on the party details.

Extra decorations such as balloons or goody bags are not included in the package. To ensure your date is available, we recommend making your reservation at least three weeks in advance.

Package includes:

- » An expert party coordinator to facilitate the party from start to finish
- » Access to the Skokie School gym and party room with tables/chairs
- » A decorated cake, candles, drinks, and themed tableware

Party Themes

- » Arts + Crafts
- » Dinosaurs
- » Knights + Princesses
- » Pirates
- » Sports + Games
- » Magic!
- » Superheroes
- » Hip Hop / Breakdancing
- » Hot Shot Sports

Have another idea? Contact us to see if we can accommodate your request. To view themes and fees, visit: winpark.org/parties-rentals.

| Ages | Length(hrs) | Max | Fee |
|------|-------------|-----|----------------------------|
| 3+ | 1.5 | 20 | \$265-450 (based on theme) |

Book your themed birthday party by contacting Debbie Zarembski at (847) 501-2040.

Youth Parties on Ice

Have your child's birthday party on ice! Skate on the ice, enjoy some pizza, and have fun!

Skating birthday parties are offered at the Winnetka Ice Arena Saturdays and Sundays, October 14, 2023, through March 17, 2024 during Public Skate from 2 – 3:20pm.

Package Includes:

- » 15 admissions + skate rentals
- » 3 pizzas (cheese or pepperoni)
- » Water or juice boxes
- » Decorations

| Ages | Length(hrs) | Max | Res/Non-Res |

NSSRA

Winnetka Park District and partner communities work with Northern Suburban Special Recreation Association (NSSRA), which provides stand-alone recreation, sport, cultural and social programming for children, teens, and adults with disabilities.

Reasons to Request Inclusion Support

NSSRA recognizes that some individuals with disabilities would benefit from social opportunities by participating in programs offered through Winnetka Park District.

NSSRA's inclusion services provide a choice for individuals of varying abilities to experience Winnetka Park District's Programs. Inclusion support may come in one or more of the following: Observations, Visual Supports, Behavior Management Support, Activity Modifications, Varying Levels of Staff Support, Disability Awareness Training, Adaptive Equipment, or an Inclusion Companion.

NSSRA and Winnetka Park District staff work closely with the participant and family to provide enriching recreational experiences while maintaining safety and confidentiality and providing the appropriate support to promote independence and growth in the least restrictive environment.

Requesting Inclusion Services

For information on Inclusion services or to make arrangements for accommodation, contact the Park District's NSSRA Inclusion Liaison, Toby Ross, at (847) 501-2071 or tross@winpark.org.

COVID-19

Guidelines

The Winnetka Park District follows Cook County Department of Public Health (CCPDH) COVID-19 guidelines.

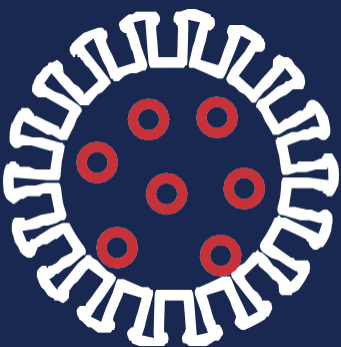

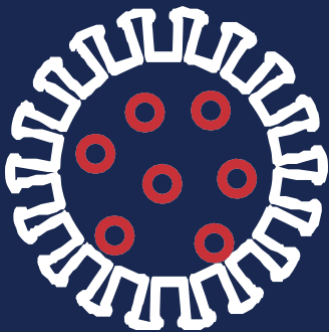

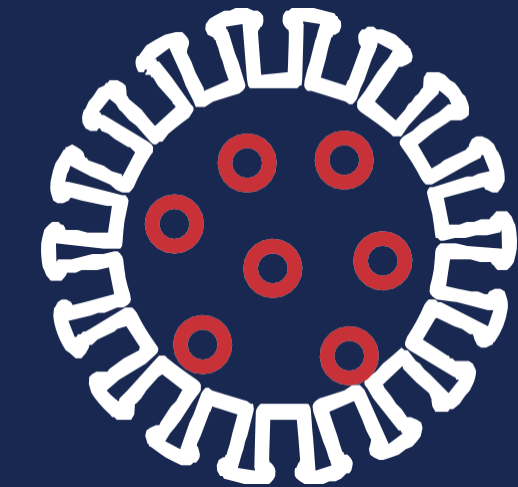

If you are not feeling well, we ask that you do not participate in any Park District program. We also encourage patrons and participants to social distance while visiting the Park District. And, if you feel more comfortable wearing a face covering, please do so. Let's work together to stop the spread of COVID-19.

Refund Policy

A credit will be applied to your household automatically for program, event, and facility rental cancellations due to the COVID-19 pandemic. A refund (instead of a credit) can be given if requested.

How Credits Work

- » Credit will be for 100 percent of the fee paid unless one or more classes were held before the session/program was canceled. In this case, the credit will be prorated for classes not held.
- » Any member of your household can use credits.
- » Credits are valid for any recreation program, camp, group lesson (tennis, ice, golf, platform tennis), tennis membership, lakefront season pass, or facility rental.
- » Credits are not valid for court fees, public skate fees, ice rentals, greens fees, golf memberships/permanent tee times, or private golf lessons.
- » Credits are applied automatically to your cart total when making a purchase online or through a member of staff.
