

2024 Ice Show Advertising Form

On May 3rd & 4th, the Winnetka Park District will present its 48th Annual Ice Show. The Ice Show is one of the largest and most anticipated events in the area, with over 170 participants performing two shows in front of 1,200+ spectators. It is truly a community event as virtually all of the performers reside in Winnetka and the surrounding communities.

The Ice Show budget relies heavily on advertising to offset the cost of lighting, scenery and staffing for the show. A great deal of preparation goes into this special event.

We would like you to consider placing an advertisement in our program book. The program will be distributed to those in attendance at the performances and is a great way to expose your business within the community.
