Costumes are made to fit standard sizes; minimal alterations may be needed to compliment your skater.

Once costumes are ordered, no refunds or exchanges will be given.

- In addition to the above, fees will also include one parent badge that will serve as admittance to both shows, a program book, and a digital copy of the ice show to download.

- Registration forms, costume measurements, and payment are due by Saturday, January 17th.

* Registrations will not be processed if skaters are not registered for both the Winter and Spring sessions.

- Late registrations will not be accepted.

- Refunds will not be given after registration has ended.

Rehearsals

- The level of your skater's Winter Class on January 17th will determine the level in which they will be performing in.

- Class time will not be used for rehearsals. Classes and rehearsals overlap for 3 weeks.

- Winnetka Skating Club members enrolled in classes will perform an additional routine.

- All FS skaters will perform in the opening number in addition to their group number.

- All participants must attend all 3 group rehearsals. Notify the skating director should you have a conflict of any kind. Additional requirements for Soloist and Specialty Skaters can be found on the Soloist and Specialty Skater registration form.

Tot Skaters

Tot skaters will be in the first 20 minutes of the show. Once they are finished performing, they must be picked up from the party room. They may go home or finish watching the show with their parents/guardians.

Pre Alpha

Skaters will skate in the first 30 minutes of the show. Once they are finished performing, they may be picked up from the party room. They may go home or finish watching the show with their parents/guardians.

They will not participate in the Finale.

Picture Day

Professional group and individual pictures will be taken on Saturday, April 11th. Costumes will be handed out the 1st week of rehearsals and must be worn in the group photo. These photos will be used in the Ice Show program. Please have your skater ready to be photographed at their assigned time.

Dress Rehearsal

Dress Rehearsal is mandatory for all skaters. Promptness is crucial for a smooth run-through. Allow enough time to put on costumes and skates. The finale will be rehearsed first so all skaters may stay and watch the show after performing their number.

Costumes & Measurements

On Saturday, January 17th from 9-11am staff members will be available to assist you with registration and costume measurements. This is optional. Please allow an inch of room in your measurements for growth for your child. An accurate girth measurement is crucial. Girth measurements are around the whole torso. Shoulder to shoulder. All Female skaters will receive a pair of suntan tights with their costumes to be worn for the show.

Soloists and Specialty Skaters

Skaters who have qualified for duets, trios, and one or two night solos will be provided with music. Soloist costumes and choreography are not provided. Specialty costumes and choreography will be provided.

For more information regarding Soloist and Specialty Skater requirements, see Soloist and Specialty Skater forms. Soloist and Specialty Skater's registration forms are due Wednesday, January 21st.

Rental Skates

There is no charge for rental skates during the performances or rehearsals. Rental skates may be taken home for dress rehearsal. Skates may be signed out at the front desk by leaving your credit card number and contact info. You will be charged if they are not returned.

Volunteers

All performances need your help in making this show the absolute best. Please consider volunteering by checking the box on the registration form, or ask for a form in the office. You will be contacted in April for your availability. Your help is greatly appreciated by the skating school staff.
