Extended Week

With only nine campers, we were able to do so many activities all the campers wanted to do! Instead of keeping them cooped up in the tennis shack, we tried to enjoy every moment we had outside! It was a beautiful week to enjoy the outdoors and there were plenty of trees to give us the shade we needed.

We enjoyed the extra week:

- Playing with bubbles
- Exploring a brand new playground
- Running around on the fields and playing games such as duck duck goose and red light green light
- Having an air conditioned room to play in
- Playing with beach balls on the tennis courts
- Creating an obstacle course made out of hula hoops and cones
- Making fun shapes with play-doh
- Coloring beautiful pictures
- Making beaded bracelets
- Playing games like doggie doggie where's your bone

Thank you to everyone for a great summer; it wouldn't have been the same without each and every one of you. I hope you and your children enjoyed camp as much as I enjoyed it, and I encourage you all to fill out the survey letting me know what I should improve on as well as what I did well this year. I can't wait to see you all again next summer! Have a great rest of your summer and a fabulous school year.
