

Happiness Is!

We had so much fun over extended week, keeping the summer fun going! On Monday, we got to start camp over and got to know each other, played some games on the turf like sharks and minnows, and explored a new playground!

On Tuesday, the morning was spent making fortune tellers and playing soccer in the sunshine! After lunch we headed over to the Ice Arena to play broomball! The kids loved it, especially as older hockey team waiting for their ice time even cheered us on.

Wednesday we headed to Tower Rd. Beach where we swam and basked in the sunshine one final time this summer!

Thursday was another fun day where we played dodgeball and tennis outside, and when it was time to cool off we relaxed in the air conditioned tennis shack drawing awesome pictures.

Friday we created an obstacle course and had kids choice time, where they all wanted to play soccer one last time. The afternoon kids once again visited the Ice Arena, only this time we got to strap on some new shoes and skate. We definitely were in the midst of some future ice stars!
