

Happiness Is II – Crow Island!

Week three was another exciting one here at Happiness Is! Our Monday beach day was cancelled due to rain, but we didn't let that stop us from having fun! It turned out to be an exciting day of group games in the gym and classrooms, like Mr. Fox and dodgeball. We also made fireworks out of chalk to get ready for the Fourth of July

Tuesday was a beautiful day that allowed us to get outside in the sunshine. We played on all of the playgrounds and covered the entire blacktop with our chalk masterpieces!

Wednesday was another great day where we used pipe cleaners dipped in red, white, and blue paints to make fireworks. We even got to add glitter to make them shine just like the real thing!

Thursday was incredible because we got to go on our very first field trip to the Exploratorium! We conquered the massive climbing structure, fished for plastic creatures in the water, and put on performances of our favorite fairytales!

Friday was a great end to our Party in the USA week. We had water day, so we splashed around in some pools, making sure to squirt all of the counselors with water soakers.
