

## Middle School Madness Newsletter

### Week 3 Recap:

On Monday we were able to make up the archery that was rained out last week. The kids that did not want to participate were able to play on the playground. On Tuesday we went to the Wheeling Aquatic Center. Everyone had a blast; however the counselors were not able to beat the Adventure Camp counselors in a game of water basketball. On Wednesday we had another beach day and some of the campers were able to walk over to Maple Beach. On Thursday we went to American Action Territory and everyone had a great time. There were arcade games, mini golf courses, bumper boats, and go carts and everyone was able to do everything. Friday we were at the beach again celebrating the beginning of the holiday weekend. Happy Fourth and we hope you have a great weekend.

### Looking Ahead to Week 4:

Monday we plan on having a day full of sports and other activities at the park district building. Tuesday we will be going to Rainbow Falls Water Park which should be another great day at the pool. Wednesday we will have another beach day and hopefully the water will be a little warmer! Thursday we will spend the first part of the day at Par-King Skill Golf and then later on we will be going to Sea Lion Aquatic Park in Lisle. Friday we will close the week with another beach day.

### Sea Lion Aquatic Park:

*Learn tennis after day camp!*
