

Middle School Madness Bulletin

Week 4 recap:

Session one ended with another great week after the holiday weekend. Monday we got to play “Rugby basketball” which taught us the fundamentals of the sport while having a blast. In the afternoon we had a blast with water balloons over at Skokie. Even though our original plan on Tuesday, Rainbow Falls, was canceled due to poor weather conditions (could we get a solid week of good weather?!), we altered our schedule and traveled to Rink Side Sports which was great as the kids got to play games, laser tag, and mini golf. Wednesday was a nice beach day, despite the weather being closed as we played some intense soccer games and generally just enjoyed being outside. On Thursday we had a multi-location field trip day as we started the day for a round of mini-golf at the always fantastic Parking before heading off to Sea Lion Aquatic Center. It was awesome since the water park was relatively empty so it felt like we had the place to ourselves! Friday **unbelievably** capped off the first session with a great beach day. We hope everyone that is finished with camp had a great summer! If you’re still around and haven’t signed up for session two, there are still spots available so sign up today!

Week 5 preview:

Monday starts session two of MSM and we plan to do tie-dye and do water balloons in the afternoon. Tuesday we will head out to Enchanted Castle where we will get to play games and enjoy free pizza. Wednesday we will be back at the beach day and hoping for warm weather. Thursday’s excursion will be to the fan-favorite Barefoot Bay which is a water park in Mundelein. Friday we hope to close the week on a good note and have yet another awesome day at the beach.

Grand Opening

Saturday, July 18th

71 N. Greenbay Rd. Winnetka

**Better Grades & Test Scores
Start Here.**

10am - 5pm : Snacks & Prizes!
