Week 6 Recap:

Week 6 was an awesome week. Monday we hit up the driving range and let everyone hit a bunch of golf balls. We went to the Family Aquatic Center in Vernon Hills on Tuesday. Everyone had fun as and the kids got to enjoy going down the slides and hanging out in the lazy river. Wednesday we went to Tower Beach. Wednesday was awesome because it was hot and the water felt amazing. We started the day at Tower Beach but we ended the day at Maple Beach. Thursday we went to TopGolf which everyone thoroughly enjoyed; however, the day ended on a sour note as our bus got a flat tire! Friday we ended the week with another great beach day where saw us visit both Tower Rd. and Maple St. beaches.

Week 7 Preview:

Monday we will kick off the third week of session two with some a quick jaunt over to the tennis center. Tuesday we will be going to KeyLime Cove in Gurnee. Please note that food will be served and concessions will be available. We're hoping this will be one of the better water parks we have been to this summer! Wednesday we will be at the beach again. Hopefully we have good weather so the kids can swim all day. Thursday we will start the day at the Brunswick Zone and then we will make our way over to Nickel City. We hope to close off our second to last week with another great day at the beach.
