

Adventure Camp

July 22nd-July 26th

Adventure Camp Rolls On!

The week began with a new activity... indoor laser tag at Washburn School. With the beaches closed due to high surf...we postponed our Stand Up Paddle activity to next week. We were able to sneak a quick trip to Nickle City for some arcade fun. Wednesday the camp headed to the all popular Rainbow Falls Water Park for another day of fun in the sun. The week rolled on with a great day at Action Territory Arcade and the best Go-Karts around. Friday rounded out the week with a relaxing beach day at Tower.
