Lakefront Accessibility Update

Superintendent Kutulas reviewed his Board Summary and explained the proposed renovations to Elder Lane Park, Tower Road Park and Lloyd Beach to provide improved accessibility to each of the lakefront properties. The cost to implement all proposed renovations is \$13,500.

Superintendent Kutulas stressed that the renovations will not be completed prior to the opening of the beaches. The committee recommended that signage be put in place to inform the community of the impending changes and improvements.

Superintendent Kutulas recommended that no improvements be made at this time to Maple Street and Centennial Parks due to the high capital costs.

The committee directed staff to move forward with the renovations to improve accessibility to the designated lakefront properties.
