### **8.01 PURPOSE AND PHILOSOPHY OF RECREATION PROGRAMMING**

The Mission Statement of the Winnetka Park District states:

“The Winnetka Park District’s mission is to provide a balance of quality recreation and leisure opportunities, while protecting assets, natural resources and open space for the benefit of present and future generations”.

The philosophy of the Recreation Department is consistent with that of the mission statement of the Winnetka Park District.

The District recognizes that recreation is a broad concept and entails the provision of recreation programs in many forms. The District will provide programs in park facilities that encourage self-directed recreation and use for individuals and groups through structured activity. The Recreation Department shall provide trained, qualified leadership to plan and direct recreation activities. Of primary concern will be the provision of a diversified quality driven set of recreation programs and activities for individuals as a means to enrich their recreation pursuits.

The District's recreation programs will:

- A. Provide comparable and appropriate program opportunities through parks, beaches and facilities.
- B. Offer diversified program activities throughout the year that serve all ages and individual interests when possible.
- C. Provide a reasonable balance between indoor and outdoor activities.
- D. Provide for varying levels of skill and ability.
- E. Encourage individuals and groups to initiate and participate in self-directed activities.
- F. Provide opportunities for participants to share in the planning and implementation of activities.
- G. Afford opportunities for instructional as well as competitive activities.
- H. Recognize that the Park District is not the only agency responsible for the provision of leisure activities and work cooperatively to coordinate recreation program activities through other private and public agencies, clubs, and organizations.
- I. Be sensitive to changing conditions, interests, and needs of the people.
- J. Promote skills and activities which individuals implement at home.
- K. Provide a means by which residents can indicate their recreation desires and submit suggestions regarding new program opportunities.
- L. Provide opportunities for the evaluation of recreation programs and facilities by leadership and participants.
- M. Provide residents with appropriate staff and facility contacts.

### **8.02 PARTICIPATION IN A RECREATION PROGRAM**

Participation in activities sponsored by the Park District shall be open to all individuals in line with various age, sex, or registration limit criteria as may be established for particular programs. Non-residents may be charged a higher rate than the resident rate.

The District shall comply with the Americans with Disabilities Act (ADA) and provide equal opportunities to persons with disabilities. The Park District invites adults and children with disabilities to register and participate in programs and will make reasonable accommodations for those individuals.

The District shall attempt to provide recreation program opportunities based on the public's desires and interests as interpreted by the District's staff and Park Board, provided that finances and facilities are available and that the activity is consistent with the District's Mission.

### **8.03 INCLUSION**

All programs and activities are open and available to participants with disabilities. These services are provided in conjunction with the Park District's partner agency, Northern Suburban Special Recreation Association. Refer to Chapter and Sections 5.22 Northern Suburban Special Recreation Association and 5.23 Inclusion of this Policy Manual.

### **8.04 PRIORITY OF REGISTRATION**

Once the seasonal brochure is sent to all the households within the Village of Winnetka, a grace period of 2 weeks will be given to residents as a priority for registration. After this grace period, registration will be open to all nonresidents.

### **8.05 PARTICIPANT BEHAVIOR POLICY**

All participants are expected to exhibit appropriate behavior at all times. The following guidelines have been developed to help make children's programs safe and enjoyable for all participants. Additional rules may be developed for specific programs as deemed necessary by staff.

The Park District insists that all participants comply with a basic behavior code. All participants shall:

- Show respect to all participants, staff, and volunteers. Participants should follow program rules and take direction from staff.
- Refrain from using abusive or foul language.
- Refrain from threatening or causing bodily harm to self, other participants, or staff.
- Show respect for equipment, supplies, and facilities.
- Not possess any weapons.

A positive approach will be used regarding discipline. Staff will periodically review rules with participants during the program session. If inappropriate behavior occurs, a prompt resolution will be sought specific to each individual's situation. The Park District reserves the right to dismiss a participant whose behavior endangers his or her own safety or the safety of others.

If the participant exhibits inappropriate actions, the following guidelines will be followed:

1. Program leaders should determine the severity of the action and immediately take steps to correct it. These may include but are not limited to:
  - A verbal warning.
  - A supervised time-out from the program-The type of time-out may vary according to the situation (observational: from sidelines of activity; exclusion: away from the group but within view of the activity; seclusion: time-out area with staff member present away from view of the activity). If physical restraint is used to protect against injury, the time-out should be documented on a conduct report. Any conduct report made will be given to the full-time supervisor.
  - A suspension from the program for a designated time period. When determining the timeframes of suspension, staff will consider the severity of the actions; the length of the program or activity; any past behavior issues with the individual; and willingness to improve their inappropriate behavior.
  - Dismissal from the program or activity. If inappropriate behavior persists or the behavior completely disrupts a program, removal from the program or activity may be necessary. Once again, the Park District reserves the right to dismiss a participant whose behavior endangers his or her own safety or the safety of others.
2. If a participant receives a time-out or a suspension, the supervisor of the program will contact the parent/guardian.
3. Appeals by the participant and/or participant's parent/guardian should be directed to the Superintendent of Recreation.
