

Kiddie Camp Newsletter

Week 9 (8/5-8/9)

Directors: Katie Lauer and Clara Jungwirth

Second, and final, week of Kiddie Camp 2019

We can't believe it's already the end of summer and are so sad that camp is over! We tried to make the most out of our final week together and thank you to everyone who stuck with us at the paddle hut these past two weeks! We sure had a blast doing different activities and games throughout the park district and the paddle hut!

Monday

On Monday, we had a very fun and special guest come to camp and show us some cool tricks with bubbles! Ben's Bubble Show came to camp and showed the kids how they could blow huge bubbles and even put the campers inside the bubbles! The kids thought it was so silly to see the different shapes and sizes our guest was putting the bubbles in.

Tuesday

On Tuesday, we just barely beat the rain in time for a scavenger hunt and adventure walk around the park district! We drew and colored our own maps of the whole park

district and read clues that brought us to different parts of the park district like the golf course, the playground, and the baseball field. At every location we were told to do a fun thing before the next location like, run the bases at the baseball field, go down the slide at the playground, and run around the tennis court. The kids had such a great time getting to walk around the whole park district and do fun tasks!

Wednesday

On Wednesday, we tried to beat the heat by playing various relay racing games on the turf and finally ending on an art craft in the paddle hut! We colored different coloring sheets that matched the activities we did this week and colored our very own crowns! The kids loved getting to color different designs with their favorite colors and getting to wear their crowns home!

Thursday

On Thursday, we had another special guest come visit us from the library! The storyteller came to visit us and read us different books about dinosaurs! We read about dinosaurs who love to eat tacos and dinosaurs who love to sing and dance, just like us! In between stories, the kids got to stand up and sing and dance with the storyteller and their friends. They had such a fun time singing The Wheels on the Bus and Twinkle Twinkle Little Star!

Friday

On Friday, we ended a great summer and beat the heat with water day! The kids had such a fun time getting to play in the pools and the slip and slide with their friends! It was the perfect way to end a fun and hot summer!

Recap

Thank you once again for such a great summer! We had such a blast getting to know all the campers and hanging out with them every day! We hope everyone has a great rest of their summer and an excellent school year. We hope to see everyone back again next year!

Lost Items?

A lost and found for the summer can be found at the park district office located at 540 Hibbard Rd.
