

Adventure Camp

Aug 5th – Aug 9th

ADV/MSM Extended Week

We began the week with a day at Maple. We started with Newcomb/Volleyball and Spike ball. Later in the morning we played games in the beach house and swam in perfect 76 degree water temp! Several kids made fish traps and were able to catch a few minnows. On Tuesday we had an amazing experience at Mastermind Escape Room. We had a group escape the bank vault with all the cash. Another group almost cured the Outbreak and save humanity. Unfortunately, we had one group was Lost in Time forever 😞 On Wednesday we enjoyed a day at Vernon Hills Water Park, a make-up day from a previous rain out day. On Thursday, we went to Gizmo's Fun Factory for a day of fun games and activities. Friday morning, we hung at Maple Park for some more games of whiffle ball and kickball, then ventured over to Tower Beach to finish our day off with one last hoorah in the sun! Thanks everyone for a fantastic summer! We hope to see you all real soon and especially next summer.
