

WEEK ONE

Middle School Madness!

Hey Parents and Guardians!

Welcome to Middle School Madness! We have had a fun and exciting first few days meeting all of our counselors and new friends! Although our first day was a little rainy, we still got the chance to play kickball, volleyball, board games, and get to know one another.

On Thursday, we went on our first field trip to Enchanted Castle. We had an absolute blast playing arcade games, go-carting, and mini-golf. We even got to challenge each other in bumper cars and laser tag! It was such a fun day!

Thankfully, the sun finally popped out for our first beach day on Friday! Whether we were playing volleyball, on the playground, or swimming in the chilly water, we were having an awesome time! It was a great end to a great first week!
