

Almost Anything Goes

# Summer 2018 Newsletter

June 29, 2018

---

Hi parents! Your little scientists have completed yet another week of camp! We had so much fun this week with our experiments and science themed activities. Monday's slime making turned out so well and was fun to make for both the campers and the staff. If your campers would like to make more slime at home, the recipe we used is down below! Tuesday we had special guests from BYNC come and teach the campers all about animals, bugs, and even do some fishing. What you have heard from the campers is true, they actually did catch many fish! The weather on Wednesday stayed nice for us for most of the day so that we could enjoy ourselves at the beach. With music playing for campers to sing and dance to and campers being able to get in the water, it was a fun day all around. Your little scientists also had an amazing time at the Museum of Science and Industry on Thursday. There were so many cool exhibits that they explored including a mirror maze and the weather vortex. They were also given a chance to watch chicks hatch from their eggs! We would also like to apologize for the late arrival back that day due to a slightly late departure as well as traffic through Chicago. Friday ended our week with a hot, hot day but we were able to cool down with our water day activities. The staff can't wait for Superhero week next week and we hope your campers are ready for some intense super power training and transformations!

Have a nice weekend!

Sarah Klenkar and Trinity Lichter

## Slime Recipe

**Step 1:**

**Mix  $\frac{1}{2}$  cup glue and  $\frac{1}{2}$  cup water**

**Step 2:**

**Add food coloring and glitter**

**Step 3:**

**Mix in  $\frac{1}{2}$  teaspoon baking soda**

**Step 4:**

**Add 1 tablespoon saline solution  
and STIR QUICKLY**

**Step 5:**

**Knead slime with fingers and add more saline solution as needed**

## Winnetka 4th of July Parade Wednesday, July 4th, 2018

Winnetka's Annual Fourth of July Parade will be held on Wednesday, July 4th at 10:00am. All campers are invited to don their camp shirt and march alongside counselors in the parade itself. The parade marches in reverse order so everyone marching doesn't miss out on seeing all the other wonderful floats, music, etc. Campers should be dropped off at the front of Skokie School (520 Glendale Ave.) no later than 9:20am. At 9:25am we will move to our parade position.

### WEAR YOUR CAMP T-SHIRT!

Pick-up is located at the Village Green near the northeast corner of Elm St. & Cedar St. immediately following the parade. *Make sure to join us for FourthFest starting at 6:00pm on Duke Child's Field. There will be inflatables, face-painting, food, music, and everyone's favorite, fireworks!* If there are any questions please contact Toby Ross at [tross@winpark.org](mailto:tross@winpark.org).

My child, \_\_\_\_\_, has permission to march in the Fourth of July Parade. I understand there will be a lot of walking and it could be very hot and have taken steps to ensure they will be hydrated. \_\_\_\_\_ will be picking them up and can be reached at (\_\_\_\_\_) \_\_\_\_\_ - \_\_\_\_\_.

**Winnetka Park  
District**

*Please return slip to your  
child's camp director or bring it  
with you to the parade.*
