## Tons of Teamwork

Monday started out hot, it rained, got hot, rained some more and got hot again. Nevertheless, we had a good time playing bubble soccer and hanging at Maple Beach House. Northbrook team course is always a fun and challenging day. Wednesday we tested out skills against 60 other camps in the Teen Camp challenge. Great weather for the always popular Barefoot Bay Water Park was on Thursday. The beaches were closed on Friday, but we spent time playing board games, sports on the turf, and even trips down to the beach (just not in the water!).
