Kiddie Camp

Week 4 and Crazy week has been another successful week for Kiddie Camp! I hope everyone had a fun and safe Fourth of July and for those who came out for the parade, we hope the kids and parents had a fun time getting to see all the floats and various parade members.

Recap:

On Monday, we had a storyteller from the library come and read to the kids! The kids got to sing along to songs with the librarian and read different books about dinosaurs. It was very silly to watch the kids sing and dance while also getting to listen to the librarian read to us about silly dinosaurs! All the kids looked great in their pajamas as well!

On Tuesday, we were supposed to have the police department come and show the kids around their car but sadly they were not able to come. Luckily, we were still able to have fun and decorate their own bookmarks to use for their books at home, like the ones they heard from the storyteller! The kids also looked very silly with their crazy hair styles!

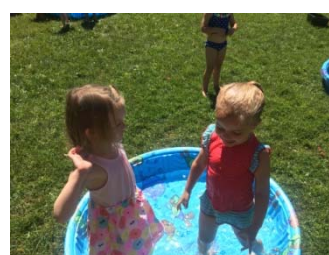

On Wednesday, we had no camp because of the Fourth of July! We hope everyone enjoyed the fireworks or for those who traveled, we hope everyone had a safe travel and a great time with family!

On Thursday, we had a super hot day but the day was saved with surprise popsicles! The kids were able to stay cool while they played outside by enjoying ice pops and the kids were so excited to be able to eat them with their counselors! Additionally, we had another storyteller come from the library and read more exciting books to the campers. Just like Monday, the kids got to sing and dance along to engaging songs and nursery rhymes and then got to listen to stories.

On Friday, we had a great day for water day! This time we were able to beat the heat with water day and playing in the pools and sprinkler. The kids and counselors had a fun and relieving time in the water. We also had the fire department come and show us around their fire engine and show us their equipment while also telling the kids about the various duties that fire fighters do to keep us safe.

Reminders:

Please keep sending campers with a snack, change of clothes, and a water bottle. Next week is Holiday week and water day will be on **Thursday**, July 11th. Please send the campers with an extra change of clothes and a towel as well as send them in their swimsuit. Once again, we hope everyone had a safe Fourth of July and safe travels and as always if you have any questions feel free to text or call the camp phone at (847)-770-0818. Thanks so much and can't wait to see everyone next week!
