

Week 6 (7/16-7/20) Newsletter

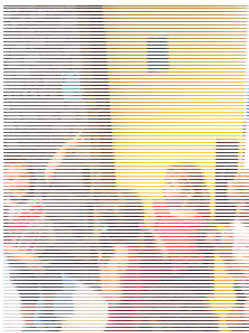

Kiddie Camp

Another successful and hot camp week! It is so hard to believe that next week is the last official week of camp! The counselors and I have had such a great summer with the kids and hope to make the last week memorable!

Recap:

On Monday, to kick off Wild West week, we had a save the counselor activity! The kids were given clues scattered around Crow Island that brought them closer and closer to rescuing some of their favorite counselors from jail. The kids were so determined to find each next clue leading them back to the staff room where their counselor was.

On Tuesday, we continued Wild West week by painting our own flower pots! The kids were able to choose their own colors and then once the pots were dried, the counselors planted beans inside and on Thursday the kids were able to take the pots home. The beans should grow in no time!

On Wednesday, we had a special appearance from Jamie's Farm Concert! Jamie came and sang different songs with the kids, some that the kids had already known before and some new songs. The kids also got to get up and dance along to the songs and with Jamie. They had so much fun getting to show off their dance moves!

On Thursday, we had yet another storyteller from the library come and read to the kids. These stories this time were about toads and spiders. Like in the past, the kids got to have the stories read to them while also being able to dance along to different songs and nursery rhymes.

On Friday, we beat the rain and were able to have a successful camp day and still play in the water! This was the last water day for MWF kids and they had the best time! The light drizzle added to the water fun and the kids had a great time playing in the pools and sprinkler.

Reminders:

Next week will be our last official week at Crow Island and water day will be on **Thursday**. Additionally, we have the Carnival on Wednesday and **everyone** is welcomed to come to camp that day so if your son or daughter is a Tuesday/Thursday camper they are still welcomed to come! If your son or daughter is signed up for extended week, then we will be continuing camp at the **Paddle Hut** at the Park District. If you would like to sign up for extended week please contact Toby to sort that out! As always, thank you for all your help in ensuring all

the kids have a great camp experience and if you have any questions feel free to call or text at (847)-770-0818. Thanks and see everyone next week!
