The Winnetka Park District offers a final week of extended camp. During this final week of camp (August 6th-August 10th) we will embark on 3 field trips, provided entertainment on Monday, and close out the week for one final beach day. Contact the recreation office if you are interested joining in on the fun!

The last “official” week has come to an end and another summer closes out. We have had a great summer with your children and thank you for choosing the Winnetka Park District. This week we enjoyed ice skating and playing paddle tennis at the park district. Tuesday we crashed in the waves while at tower road beach. Wednesday we watched the Schaumburg Boomers take on the Florence Freedom. Thursday we ventured out to Vernon Hills water park. Friday we had an end of summer BBQ and a all camp scavenger hunt.
