

# Adventure Camp 2016

**Director: Sam Scherer (847) 770-0843**

The second week of Adventure Camp was filled with exciting field trips and bike rides! Monday was our hottest day of the week, so we spent our morning hanging at Maple Beach but we biked down to the Winnetka Golf Course in the afternoon where we mastered hitting balls and putting. On Tuesday, we traveled with Middle School Madness to Rinkside Sports where we played in the mini-golf, ice skated, used to arcade to win some awesome prizes. A pizza lunch was provided today but some campers also enjoyed other snacks from their concession stand.

On Wednesday, we went to Sky High Sports, an indoor trampoline park where we played dodge ball and practiced our flips. On

Thursday, we went to Rainbow Falls Waterpark with Middle School Madness where we went on their body slides, drop slides, and

toilet bowl drop. Even though the weather wasn't as warm, it didn't prevent us from enjoying the waterpark! Friday was our big biking day through Winnetka and Wilmette. We started the morning at Elder Beach in Winnetka, went to Homer's for lunch, and biked all the way to Gilson Beach for the afternoon! We enjoyed the heat and the change of pace throughout the day.

This upcoming week we will be breaking into teams and taking on a weeklong competition! Each team will be assigned a color and a team leader, and we will be playing games and competing with all of the other teams. The team with the most points at the end of the week wins!
