## Greetings from Happiness is 1!

We had a blast during our final week of extended camp! While the weather was H-O-T, we made the best of our time by doing some fun activities both in and outdoors, including:

- Exploring the playgrounds and turf fields by the Park District office
- Listening to fun and lively stories told by our storyteller guest!
- Decorating animal masks
- Playing games on the tennis courts including duck duck goose, *Mr. Fox*, freeze dance, and *Red Light Green Light*
- Cooled off at the end of a hot week with a tasty treat—popsicles!

Thank you so much for a wonderful last week of camp—we hope to see some of your campers again next summer!!!

Sincerely,  
The staff of Happiness is 1
