Here are a few important reminders about camp this summer!

- Every **Tuesday** we will be going on a **field trip**, and every **Friday** will be **Beach Day** at Tower Road Beach, weather permitting. Campers must wear their camp **t-shirts** on field trips.
- If you haven't sent in your emergency form, please send that with your kid or hand it to a counselor at pick up or drop off!
- Please make sure your child does not bring any **valuables** to camp (i.e., toys such as "fidget spinners", video games, *Pokemon* cards, etc.), as there is always a risk of something getting lost or broken.

Thank you!

Welcome to Camp Almost Anything Goes!

We had another fun-filled week here at Camp AAG, thanks in part to our new campers! We have gotten the hang of the camp routine, so campers had more time to find out what their new favorite camp activities were. Kids discovered they could make potions with water and markers, knock-out tournaments were organized by the campers, and the crafts that the kiddos needed help doing last week, like making friendship bracelets and lanyards, were mastered! Another awesome week is in the books, and we are so excited to see what next week brings!

This week was another great week!

Since we have gotten more used to camp, we spent this week discovering out new favorite camp activities!

Some of the activities we did together this week were:

- We went to Safari Land, where we went on roller coasters, played arcade games, and even got prizes with the tickets we won!
- Played some intense games of knock-out and four square, some in tournament form
- We painted bird houses with crazy colors and designs!
- Some great games of boys vs. girls kickball and counselors vs. campers dodgeball
- We went on a crazy scavenger hunt, where campers easily found a colorful prize for their hard work
- Campers continued to perfect the art of making lanyards and friendship bracelets
- Enjoyed another bright and sunny beach day, playing tons of four square soccer and finding tons of sea glass!
