# Camp Almost Anything Goes

## Skokie School, Winnetka

## Sarah Denton and Becky Hungerford

Co-Directors  
847-770-0820

Here are a few **important reminders** about camp this summer!

- Please make sure that your child does not bring any valuables to camp (i.e., toys such as "fidget spinners", video games, *Pokemon* cards, etc.), as there is always a risk of something getting lost or broken.
- Make sure to send your child with water, sunscreen, and a snack and lunch every day.
- We will be tie-dying next week, so start sending your child to camp with a white article of clothing in a Ziploc bag labeled with their name on it!
- If you have not yet given Becky or Sarah an emergency form for your camper, please fill one out and send it with your child next week.

**Thank you!!**

## Week Four at Almost Anything Goes!

And so ends another great week of camp! It's amazing how time flies, as we are officially halfway through the summer! Despite the hot weather this week, the campers managed to stay cool with some fun water activities and crafts indoors. We all enjoyed seeing so many of their smiling faces at the Fourth of July parade on Tuesday, and we hope you all had a lovely holiday full of food, family, and fun! We are all looking forward to a great second half of the summer with all of our lovely campers!

~The staff at AAG

## Another camp week for the books!

We had so much fun this week at AAG—and we love to share our favorite moments with you!

### Some of the activities we did together this week were:

- We got a visit from *Hot Ground Gym*—a mobile obstacle course that was a fun challenge for all of our campers (more info below)!
- We made beautiful tissue paper creations, such as butterflies, flowers, and bows!
- We cooled off with some fun water games—we even had a “campers versus counselors” water balloon fight!
- To stay cool during the hottest parts of the day, some of our campers enjoyed learning new card games, magic tricks, and playing board games like *Guess Who* and *Connect 4*!
- We continued some of our campers’ favorite games both in and outdoors—like *World Cup*, *knockout*, *baseball* and *kickball*!
- We made *Oobleck* slime—try it at home using the recipe included below!
- We braved the rain on Friday and ended up having another wonderful beach day—full of lots of swimming, playground time, and games in the sand like soccer, running bases, and volleyball!

Did your child enjoy our visit from *Hot Ground Gym*? Get them into a trial class for free! Call 847-268-4531 and let them know you met them through the Park District!
