Teamwork was the *key* this week!

On Monday we welcomed a few new campers and biked to the turf fields for some Outdoor Laser Tag. On Tuesday we enjoyed some solid team building activities in Northbrook at their Teams Course in preparation for the annual Teen Camp Challenge the next day! Wednesday we competed against a multitude of other Park District teen camps as we tried to stay cool in the hot weather—**one of our teams ended up placing third overall!** Thursday we escaped the rain and had a nice summer day at Wheeling Water Park. Friday we hung out at Tower beach and campers had the chance to make some cool sandcastles.

Outdoor Laser Tag!

Team building fun!

Jamie tries to score!
