

# Week 6: Who's Your Hero?!

**Dear Parents & Guardians:**

To explore who our heroes were this week, our campers had a visit from some local heroes, the Winnetka Fire Department, on Monday. Our campers learned all about fire safety and even got wet and wild with the firemen's hose! On Tuesday, we beat the heat and ventured inside to LEGOLAND where the campers challenged each other to Lego building contests and rode exciting rides! The campers' creativity truly shined on Wednesday when they constructed their own super hero and super villain masks. On Thursday, I was blown away by all the thrilling hero and villain costumes for our crime fighting activities! We had heroes and villains battling to save the world in our camp-wide capture the flag and obstacle course. Thank goodness that the good guys always win in the end 😊

Next week will be the last week of camp and we are excited to celebrate with a “**Hawaiian Luau**” theme. Monday, we will get creative and make our own flower lei necklaces. We will take our final field trip to Hidden Creek Aqua Park on Tuesday. Wednesday we will be slippin’ and slidin’ at our last water day. On Thursday, our campers and staff will celebrate our last day at Skokie School with a Hawaiian Luau! Please send your camper in any Hawaiian attire. Grass skirts, flower shirts, and leis are all encouraged, but of course not required. For our last Friday beach day, we will provide a cookout for all our campers! Hot dogs, hamburgers, and sides will be offered. Please send any other items with your camper if they would like something additional to eat.

**Please pack a swimsuit, towel, sunscreen, dry clothes, extra tennis shoes, and water for Tuesday, Wednesday, and Friday this week.**

The Winnetka Park District is offering an extended week of camp August 4-8<sup>th</sup>. There is limited availability for this week so please contact the Winnetka Park District for more information about enrolling your camper for an extra week of fun in the sun!

I have had so much fun getting to know each and every camper this past week! I am excited to see everyone for our last week and hope to see every camper back next summer.
