## It was rainy, but we endured!

Right off the bat, us adventure campers were made to brave the elements. Nasty storms kept us inside Monday morning. By late morning we were able to get outside and enjoy the beautiful lakefront once again. Monday finished with some team building activities and games. Tuesday brought sun and milder temps and we got to enjoy the beach in all its glory. A game of beach kickball broke out which many seemed to enjoy! Rain dampened our shirts but not our spirits Wednesday morning. In the safety of our beach house we played fishbowl and musical chairs ending the day with a trip to Sky High Trampoline Park. Once again, rain got us Thursday morning, but no bother we enjoyed our day at Medieval Times! Relay races and a fantastic sand castle building contest wrapped up our great week on Friday.
