### Our Week Four Adventures

Session 2 has begun!

First, Monday was a fun day at maple. The day was filled with swimming, beach ping pong and Newcomb! Next, we went to enchanted castle. With laser tag, an arcade, and even a mini-rollercoaster, it was awesome to say the least. Then Wednesday was a relaxing day at tower complete with playing in the sand, and a great game of infection tag. We tried our lucky fishing, but it was just to wavy! Thursday we went to the Barefoot bay waterpark where we had tons of fun. Finally, on Friday we had a sports day at elder, followed by archery and Gaga at Crow Island. A great way
