This week – Jungle Week

We started off our final week of camp with an amazing animal show where we were able to see about a dozen different animals including a piglet, an African bullfrog, and a giant rabbit. Following the animal show, we had a dress up day where all the campers came in a variety of fabulous costumes--the camp truly looked like a jungle! Wednesday campers had an opportunity to show everybody their favorite stuffed animal and it was adorable hearing about each of their special friends! Thursday was water day and the kids had a blast splashing around one last time. Friday was unbelievably our final day of camp as the campers said goodbye to their new friends.

We stayed as cool as we could during the hot week by:

- Decorating the school with chalk
- Splashing in our mini pools and giggling during a water balloon toss
- Listening intently and getting to pet animals during the show!
- Playing our favorite summer camp games such as Red Light Green Light and Catching Stars
- Playing in the playroom with our variety of toys one last time
- Coloring masks of our favorite animal
- Creating adorable footprint butterflies

Thank you

I just wanted to say thank you to everyone for a wonderful summer and I hope to see you all again next year either back at Happiness Is 1 or moving up to Happiness Is 2. I had a wonderful time getting to know and playing with all the kids, and I hope they enjoyed their time too. I will miss seeing their smiling faces every day. If you seem to be missing something the lost and found will be going to the park district for the next 30 days before being donated. Thank you again and I hope you all have a wonderful summer!

I can't wait to see everyone who is signed up for extended week on Monday! There are still spots available if you're interested as well! Just call (847) 501-2040 for more information.
