

Happiness Is II - Crow Island

Week One Newsletter

Well, it was a very exciting first week here at Happiness Is! The first day had an unexpected start as we had to do our very first drop-off in the pouring rain! Despite the dreary weather, the counselors and campers both managed to have fun getting to know each other through name games, running around in the gym. Campers also helped participate in creating their own classroom rules.

Tuesday brought us the weather of the week (more like this day please), which allowed the campers to explore Crow Island's many playgrounds and areas to actually play in the sun. Games like sharks and minnows and dodgeball were big hits.

On Wednesday it rained yet again, but thankfully we had a very exciting special guest lined up: Gary the Magician came to camp and amazed us all with cool card tricks and disappearing handkerchiefs. We also began folding and rubber-banding our shirts for tie-dyes. The kids thought it was hilarious that they looked like their own miniature squids!

On Thursday, we had *more* rain in the morning but that didn't stop us from getting outside once it stopped to play on the blacktop. The kids challenged the counselors in games like four square and basketball. We also ate our snacks in the air-conditioned front hall so the kids could cool off after running around in the heat!

Even though we cancelled our water activities due to the cold, Friday still was a great end to the week as campers excitedly picked their favorite colors and turned their shirts into tie-dyed masterpieces! I can't wait to see how awesome all those finished projects look. We kept up our busy and active week with more outdoor activities like gaga ball and tag.

We have enjoyed getting to know our campers to start this summer and look forward to keeping the fun going next week! Thank you again for being patient during drop-off and pick-up amongst the numerous rainy mornings. **Please remember that Monday is our first Beach Day and campers need to be dropped off in the upper lot of Tower Road Park!** Bring your child dressed in their swimsuit and don't forget a towel!
