Ryan Flanagan: 847-271-9236

Amanda Kulis: 847-999-8762

Christian Mulmat: 847-687-3196

Happiness Is II – Crow Island!

WOW! We here at Happiness Is cannot believe that camp is already over! We had a spectacular beach day on Monday that was spent doing obstacle courses on the playgrounds, building sand castles, and cooling off in the lake.

Tuesday was spent making awesome animal masks in order to really make camp into a zoo! We also played doctor dodgeball, where the team “doctor” was able to rescue kids who go out, making the game basically never ending!

Wednesday was a special day as we went to Pinstripes to enjoy some bowling with friends! The little ones had a blast using the fun ramps for the heavy bowling balls, while the older campers had a great time smoking their counselors with their mad skills!

Thursday was when we really turned camp into a zoo, with campers coming dressed up as their favorite zoo animals! They roamed the fields as the wild cheetahs do, and had fun enjoying the last few days with their friends.

Friday was a bittersweet days as counselors and campers parted ways, but we feel better knowing that we will see many of you next summer!

The whole staff wants to say a sincere thank you to all campers and parents for making this summer truly unforgettable!
