Re: Ordinance Approving Intergovernmental Agreement (IGA) for Stormwater Improvements at the Skokie Playfields between the Winnetka Park District and the Village of Winnetka

Background:

The Winnetka Park District has been well represented by Board Liaisons, President Archambault and Commissioner James in long-standing discussions with the Village of Winnetka regarding their request for use of Park District properties for stormwater purposes.

The culmination of countless hours of meetings, exchange of information, and high-level efforts toward collaboration resulted in Village President Chris Rintz presenting the stormwater plan to the Park Board at the 01/16/2020 meeting.

In addition, the lengthy Intergovernmental Agreement (IGA) documents and comprehensive exhibits were previously provided to Park Board members and corresponded to the presentation given by President Rintz.

Staff Recommendation:

As drafted by Park District Attorney, Steve Adams; staff recommends that the Park Board approve Ordinance No. 572.

This ordinance will serve as the file document of record memorializing this important action of intergovernmental collaboration.
